Mobile Response # 239-900-6411 - 1242 SW Pine Island Rd., Suite 310 - Cape Coral, Florida 33991-2126

Wildlife Release Site Application

Simply releasing animals in a local park, along a country road or at a public hunting area is not legal, with respect to any release there are legal guidelines that have to be followed. If you want to be a release site, we would be happy to fill out this application for you – just call and we can get the interview process started. Land owners will not be held responsible for any accidents or injuries incurred by/to The Wildlife Whisperer, Inc. or wildlife rehabilitators. Because there are some situations where relocating the animal is the only cost effective solution, we do offer wildlife relocation, but prefer to provide more lasting, long term solutions. The Wildlife Whisperer, Inc. wildlife management methods typically include repairs, exclusion and one way spring loaded doors to evict wildlife. These methods allow us to be certain that the babies and mothers stay together as a family unit. Being able to choose from a variety of relocation sites allows the animals we must relocate with a better chance of survival and also allows us to be certain that an area does not become overpopulated. This program has been instituted to aid The Wildlife Whisperer and wildlife rehabilitators in locating suitable sites for the release of wild animals. If you have any questions or concerns regarding the program or the information on this application, please contact The Wildlife Whisperer, Inc. by phone or e-mail us at help@totalwildlifecontrol.com

Application Date _____ Town & County _____

How did you hear about our wildlife release program?

Part A: Address / Phone Number

Property Owner Information	Release Site Address
Full Name:	Caretaker's Name and Telephone:
Mailing Address:	Release Site Address:

I, the undersigned, hereby agree to allow The Wildlife Whisperer wildlife rehabilitators to relocate wildlife to the property listed above. I am the owner of the above property &/or have authority over its use. I agree to accept all animals unless otherwise noted in this 4 page application. I understand that this agreement does not promise that any animals will be relocated to my property. I give permission to The Wildlife Whisperer employees and wildlife rehabilitators to access my property for the purpose of relocating wildlife on the listed property. Animals may continue to be relocated to the property unless I contact The Wildlife Whisperer and cancel this agreement. The Wildlife Whisperer, Inc. and wildlife rehabilitators will not be held responsible for any wildlife problems that may occur on the property or any buildings located on or near the property – but should problems occur, I will let The Wildlife Whisperer, Inc. know immediately so they can assist me and find a remedy. I understand that I, as a land owner will not be held responsible for any accidents or injuries incurred by/to The Wildlife Whisperer, Inc. or wildlife rehabilitators. I grant permission to relocate animals without prior notice unless noted above. I agree to notify The Wildlife Whisperer, Inc. 6 months in advance should we plan to allow hunting of small game on said property. We will exclusively contact The Wildlife Whisperer, Inc. if at any time the relocated or generated population of wildlife becomes a nuisance, hazard or otherwise discontenting to the residents of the said property or neighboring properties.

Land Owner's Signature: _____

Date: _____

The animals and The Wildlife Whisperer, Inc. thank you in advance for your assistance.

Please mail or email the completed application to the Cape Coral office:
